

GAMING THE
future

connecting innovation and education

ABSCI

a North Carolina sustainable communities initiative
is proud to present

Gaming the Future:

Connecting Innovation and Education

A national press conference and exhibition

Featuring the US Launch of Red Redemption, Ltd's
newest serious game

“Fate of the World”

Join scientists, technologists, educators and designers for
this important launch and collaboration as we seek to raise
awareness about the effects of global change.

Thursday, February 24, 2011

Grove Park Inn Resort & Spa, Heritage Ballroom
Asheville, North Carolina

Admission is free

RSVP to Ashley Cooper, Ashley@curioussense.com
